Why Suffer?

Are you one of the thousands of women who suffer from female auments? If so, don't be discouraged, go to your druggist and get a bottle of Wine of Cardui. On the wrapper are full directions for use.

During the last half century, Cardui has been established in thousands of homes, as a safe remedy for pain which only women endure. It is reliable, contains no harmful ingredients and can be depended on in almost any case.

It Will Help You

Mrs. Charles Bragg, of Sweetser, Ind., tried Cardui. She writes: "Tongue carmot tell how much Cardui has done for me. Before I began taking Cardui I could not do a day's work. I would work awhile and lie down. I shall always give praise to your medicine." I'zy Cardui.

More Exciting Than the Play. 'A countryman on one of his rare visits to London, after completing his business, visited the local theater and patronized that part of the house known as "the gods," obtaining a seat in the front row. He had provided bimself with refreshments before entering in the form of a bag of cakes and a bottle of mineral water.

As the performance progressed he consumed these and, becoming absorbed in a thrilling passage, was ab-sently toying with the empty bottle on the ledge in front of him when he ac-

identally allowed it to fall over.

Horror stricken, he instantly looked lown and was just in time to see the bottle drop heavily on to the bald head of a man below, who, not noticing whence the attack came, jumped to the conclusion that his neighbor was and hit the other man smartly across the head with it.

Our friend above had now enough and hastily but quickly quitted the place, observing when he reached the exit two angry, struggling men-being ejected.—London Tit-Bits.

The Indian Experimented.

A missionary in charge of a small church on the Indian reservation at Onondaga held evening services for his people at which subjects upon which he lectured were not strictly religious. One evening when the little building was well filled with braves and their squaws he described the solar system and told them that the earth revolved about the sun and also turned over

This strike experiment was actually made. The judges sat, but no counsel appeared, no cause was prepared, the attorneys all vanished, and their lordships had the court all to themselves. There was no alternative, and next day Lord Clonmell published a very ample apology by advertisement in the newspapers and made it appear as if written on the evening of the offense and therefore volumtary-London Law Times.
